The Democratic party of Cochise county, Arizona, in convention assembled, hereby reaffirm our belief in and allegiance to the time honored principles of Democracy, and do unqualifiedly endorse the Democratic National Platform adopted in Chicago, and Democratic territorial platform as adopted at Williams, and the national and territorial ticket, and we congratulate the people that after the most strenuous attempts to subvert those traditions and principles, by those high in power and in the interests of the money lenders of Europe, the Democratic party has risen in its might and cast out such traitors and has forced them into the party of plutocracy, corporations, and assassins of labor headed by Mark Hanna and his gang, where they properly belong, and where they are receiving the hearty support and co-operation of every monopoly and corruptionist in our country.

We congratulate ourselves and the whole people that every industrial society and all parties which sincerely believe in our government returning to the money of our fathers and the constitution, are with us today in this mighty struggle for the emancipation of sixty millions of white slaves from the corrupting influences of gold monometalism, and that there is every reason to believe from the signs of the times, that the machinery of this government will again soon be placed in the hands of the people.

We believe the free and unlimited coinage of silver is the paramount and overruling principle of the present campaign, and that no person should be elevated to office or position of power who does not believe in such free coinage by our own government, without waiting for the consent or assistance of other nations for we charge that it was the corrupting influences in Europe which forced upon its people gold monometalism and thereby reduced the wage earners to serfdom; and the same people who wrought such havoc there, are attempting to do the same thing here, and to our sorrow, they have partially succeeded; thereby reducing the majority of our own people to financial slavery, and impoverishing every producer of wealth in the United States.

The contraction of the currency, of our country, by the demonetization of silver was the most gigantic and heinous crime ever perpetrated on any people in the history of the whole world; and those responsible for it are traitors to freedom and Republican institutions, and those who would now seek to maintain the present miserable condition of our own people by the maintenance of the present gold standard when the present opportunity is offered in an expansion of currency for the alleviation of the sufferings of humanity, are parties to that great crime, in sympathy with the influence which seeks to establish on the ruins of our government a plutocracy; or, they deceived and misled by the glittering falsehoods circulated by the enemies of the people—the money changers of the east.

We pledge our party that every nominee of this convention is a free silver man who endorses every sentiment of this platform, and we ask the endorsement of their candidates by the people and we pledge to the people a more economical administration of territorial and county affairs than has characterized our government for the past two years and that no more revenue shall be raised by taxation than is required for the maintenance of our country government economically administered, and that the revenue raised shall not be diverted for other purpose than the strict administration of county government. In asking the co-operation of the people, we pledge an efficient, honest and economical administration.

DEMOCRATS.

Candidates who are to be Voted
for on November 3rd

Scott White, the nominee for sheriff, has served the people in that official capacity once before and bears a record of being a most fearless and

faithful officer; obliging, courteous and popular, he has never been known to flinch when called upon to do his duty.

A. Wentworth, the candidate for treasurer, has been a resident of Cochise county for 12 years, and for the past four years has filled the office of recorder with credit to himself and satisfaction to the people. He has held positions of trust and much money has been entrusted to his care.

M. J. Brown, of Bisbee, the nominee for recorder, is a most successful business man, possessing the ability to ably conduct the duties of that office, and as its custodian the records would be carefully and neatly kept.

A. R. English, aspirant for the honor of district attorney, has filled that position for four years and made a most favorable record. He is a man of ability whose knowledge of the law is surpassed by few of the Arizona bar. He has a lucrative practice which speaks volumes for his attainments in legal talent and efficiency.

S. A. D. Upton, the probate judge nominee, is a young man of rare intellectual endowments, and has been a resident of the county for a number of years. He has interested himself in school matters and is in every way qualified for the various duties of the office to which he aspires.

In the selection of supervisors great care was exercised to select representative men, men who had been successful in their own affairs, men who are thoroughly competent to administer the public affairs of this county and guard the welfare of the people and carefully expend their money, so as to do the most good to the greatest number, and when Lem Shattuck and Jos. McPhereson were selected all this was secured.

B. A. Packard renominated for the territorial council is one of the best known men in the county is one of the heaviest taxpayers and has done much to advance the interests of his country. He served with credit in the legislature and through his instrumentality many good bills were placed on the statute books.

The candidates for the assembly, J. N. Jones of Bisbee, J. C. Merrill of St. David and J. J. Riggs of Brannock are representative men who have many friends and in every way well qualified to fill the honorable position. The people could rest assured that the county interests would be in safe hands and will be guarded and watched with utmost vigilancy.

TOMBSTONE, ARIZ., Oct. 8th, 1896.
MR. CHAIRMAN:—We, your committee, respectfully submit the following resolutions for the consideration of the convention:

Resolved, That we most heartily endorse the principles of the Republican party as enunciated by those great leaders—Lincoln, Seward and Chase—and that we pledge ourselves to maintain and support the doctrines of the party as set forth by them. And we especially call the attention of the people of the land to the advice given to the nation in his farewell address by that patriot, soldier and statesman, George Washington, as it is of particular significance at this time, and these are the words: "Be ware of foreign influence, as the most baneful foe of a Republican government." We therefore condemn, and reject as un-American and unworthy of acceptance, any suggestion of submitting anything pertaining to American affairs to a foreign consideration, believing that we are fully able to defend our country and protect ourselves.

We approve of a tariff that will give American labor a just return, and furnish a revenue that will maintain our government, and also provide a sinking fund for the redemption of our national indebtedness.

We approve of a law of reciprocity that will add to our commerce and furnish a market for our surplus products.

We insist that Arizona be given the rights of statehood, and we demand this as a right and not as a favor.

We demand a restriction of immigration under proper laws, and that more care should be observed in admitting people to our shores, and that none should be given the rights of citizenship until they are fitted to exercise the same in an intelligent manner.

We are opposed to the appropriation of any of the public funds for sectarian purposes, and we claim that every expenditure of public moneys should be for public purposes only.

We pledge ourselves to nominate only honest, intelligent and capable men for the various offices to be voted for, and when so nominated, if possible, to elect them.

REPUBLICANS.

Candidates who are to be Voted
for November 3d.

Wm. P. Long, the Republican nominee for the council, is a man well and favorably known to most of the voters of Cochise county. He will, if elected, serve the people faithfully, and the county's interests would be safe in his hands. Mr. Long is a prominent member of the G. A. R., Knights of Pythias and kindred societies.

Wm. Speed, of Willcox, who has been nominated for the assembly by the Republicans, is a young man of sterling worth and one whom the voters of this county can vote for with the assurance that he will, if chosen to represent them, do all in his power to legislate for the interests of the people.

M. F. Castaneda, of Benson, also a

candidate for the assembly, is a young and prosperous merchant of that town. The voters of this county are assured that, if he is elected, he will devote the same careful attention to the affairs of the county and territory that he has given to his own business.

Dr. J. W. Farrington, of Bisbee, who has been chosen by the Republican party as one of its nominees for the assembly, is also a young man, who however, is not to be blamed for his youth. He is a successful practitioner of dentistry, and is well known throughout the county. A vote for Farrington is a vote for good government.

F. E. Cadwell, the nominee for sheriff, is an old resident of the county. He is thoroughly familiar with the duties of the office, having served as under sheriff during the present administration and would make an efficient officer.

C. I. Cummings the nominee for county treasurer, is a man well known for his honesty and integrity. He is a successful business man and thoroughly competent to look after the county's funds. Mr. Cummings has served the people in office before and has fulfilled every trust reposed in him. He is a heavy taxpayer and has all his interests in this county.

W. F. Bradley, the old Republican war horse and present incumbent, is again seeking the office of probate judge. Judge Bradley has long enjoyed the confidence of the people and is well qualified to conduct the affairs of his office.

For district attorney G. W. Swain, the present incumbent, is again the nominee. He has saved the county many times from being imposed upon by rapacious persons who have tried to collect exorbitant bills. He performed his duties faithfully and has been rewarded by a renomination at the hands of his party.

E. W. Perkins of Tombstone is the Republican nominee for Recorder. He is well and favorably known all over the county for his sterling worth and is a man well fitted to assume the duties of the office to which he aspires.

For Supervisors, the Republican party prides itself in the nomination of John Montgomery and T. C. Amsden. John Montgomery, who is familiarly known as "Honest John" has served the people long and faithfully as a supervisor. T. C. Amsden is a new man before the people but an old resident of the county and a property holder of Bisbee where he resides and enjoys the confidence and respect of all who know him.

For county surveyor the Republicans have nominated W. C. Tyler of Bisbee. The duties of this office at present consist principally in the ability to hold up the title but the people may be assured that Mr. Tyler is fully capable of handling any work which might come up in or about the county.

Farrington, Speed, and Castaneda are a strong team and will be hard to beat. They are young, vigorous and are men for the assembly.

Bradley, Cadwell, Cummings, Swain and Montgomery have been tried and not found wanting. Long, Perkins Amsden and Tyler are new men but will fulfill every confidence reposed in them by the people and are deserving of support.

Bryan Will Not Prosecute
The Egg Throwers.

ASKS FOR THEIR RELEASE.

McKinley is Honored at His
Home—A Pacing Record.

BRYAN'S CHICAGO SPEECH

CHICAGO.—Chauncey Foster and L. J. Hanchett, two of the four students of the Metropolitan Business college, accused of having thrown eggs at Mr. and Mrs. Bryan during the parade yesterday as it passed the college, were arrested about noon by Detectives McCaffrey and Fay. They are sons of well-to-do South Side families. They confessed to Chief of Police Badenoch that they had thrown eggs. Thomas Gahan, chairman of the Democratic county committee, has received the follow letter from Bryan regarding the matter:

"AUDITORIUM HOTEL, Chicago, Ill., Oct. 28, 1896.
DEAR MR. GAHAN—I wish you would ask for the release of the boys arrested for throwing eggs. I am sure it was an act of thoughtlessness and their arrest has doubtless been a sufficient lesson to them and others.

Yours truly,
W. J. BRYAN."

Late in the afternoon the chief of police was compelled to release the two young prisoners as after Mr. Bryan had written his letter asking for their release it was evident that there would be no prosecution if the prisoners were arraigned.

PHILADELPHIA.—John R. Gentry king of pacers at Belmont track today again demonstrated his superiority in the world of horses by covering a mile in 2:03.

CANTON, Ohio.—Major McKinley's home fellow citizens anticipated him last night when he approached the tariff question at the conclusion of one of his most remarkable addresses: "Three cheers for protection" interrupted him before he reached his climax.

There was a tremor in Major McKinley's voice when after repeated attempts he responded to the home greetings of bands of his neighbors and fellow citizens.

CHICAGO.—Twice this afternoon the largest hall in the business district was filled literally to suffocation with people to hear Wm. J. Bryan. Outside on Lake front and the streets adjoining, unable to gain admission, were crowds that would have filled the hall twice again. Eight other large meetings were addressed by Mr. Bryan before midnight in various parts of the city.

CHICAGO.—W. M. Hoyt wholesale grocer, today presented to Mr. Bryan a house and two lots in Lincoln, Neb.,

in lieu of cash contributions to the campaign fund being rich in real estate only. In his letter he scored the gold standard. The property is worth \$18,000.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Bricefield, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Druggists.
